

Dear Heritage Hunt Resident,

We are proud to offer services exclusively to residents of Heritage Hunt. We only service your neighborhood. Because of our dedication to you as a resident, we provide high quality lawn care with greatest attention to detail. As our client, you have assurance we are using premium products and materials. Your satisfaction is paramount with us.

Inflation is causing prices of goods, services, and fuel to rise across the board. This has affected every aspect of our business. We have worked diligently to control costs within our company. The economics in play are beyond our control. In order to function at the high level you expect and deserve we must increase our pricing.

We offer plans that suit our client's personal needs:

The *Gold Plan* is our most comprehensive and full-service plan, designed for the resident that prefers leaving it all to us. This plan includes all services in one package.

The *Silver Plan* is designed for the client that desires lawn service with our premium fertilizer plan, along with aeration & overseeding.

The *Mowing Only Plan* provides weekly mowing with trimming and edging of the lawn.

Please complete the Service Plan Option remit slip and return no later than January 10th.

Please include your email address. We will only send a few messages each year.
Consider the option to email your invoice.

We look forward to working with you to provide the best possible service and thank you for your business,

Mike Bloomquist and Staff
